

March 31 Beginning at 3:00 p.m. | Banquet Building

We are excited you are here to join us this year and we hope that the kids are ready for some fun. Camp registration can be overwhelming and sometimes frustrating if you don't know what to expect. We hope to provide the best camps possible for all of our members, but for safety, we can only accommodate a certain number of children each year. Camp registration day is often unpredictable, but we usually fill 80-90% of our camp spots. We will not accept any registrations before 3:00 p.m. on March 31, in the banquet building. You will find that some members will be in line early and some will come at 4:00 p.m. We recommend arriving early if you have your heart set on certain camps. Below is a list of frequently asked questions. Please let me know if you have any additional questions.

Thank you,
Danielle Williams
Youth and Recreation Director

Frequently Asked Questions:

When can we start signing up for camps? What if I can't be there on sign up day?

Camp Registration begins on March 31 at 3:00 p.m. in the banquet building. Registration coincides with our Annual Spring Carnival. If you cannot be there we have 2 options for you. 1. A friend/family member may bring signed camp form (please stop by the business office to pick form up) 2. You may email Danielle beginning at 6:00 p.m. The only early registrations are for those who are signing up for 6+ weeks of Full Day All Star Camps, beginning March 25 at 8:00 a.m. through email. We know camp registration can be busy and a little hectic. Please know we do our best to make it as smooth as possible for all of our members!

Do the kids swim every day? Why don't they have lessons at each camp?

They do swim and love it! They have an opportunity to swim each day! During swim camps, they have "lessons" with our swim coaches! During our other camps, we have games and free swim. We have found over the years that after a morning of structured activities (golf or tennis or crafts, etc.) the kids are just ready for some free time with their friends! Also, although all of our staff are lifeguard certified, they are not trained to teach lessons. We do however offer private lessons during camp for an additional fee.

My friends and I all want to do camps together, can you add more spots?

Unfortunately, no. Safety is always our number one priority. We stand firm by our ratio policy. For KidZone, we provide a 1:4 ratio and do not allow them in the pool. For Junior Camps, we provide a 1:6 ratio and 1:4 when they are in the pool. For All-Star Campers, we provide a 1:6 ratio at all times. These policies are stricter than state guidelines, but we feel it is MOST important to keep our kids safe. Second, space. We are very limited on space. We have 2 dedicated camp rooms and one is very small. When you add campers and staff to those rooms, they are full very quickly!

Which Camps fill the quickest?

Honestly, we never know which will be the camp of the year. Mini (KidZone) Camps will definitely be full. Beyond that we can never predict what will be next, each year it's different! Last year over 90% of Camps were full before the end of the Spring Carnival.

I have a 4 year old and 6 year old, Kindergartner, what camps can they participate in?

Our camps are broken down by age and grade-level.

Camp KidZone is for those who are 2 years old and up, but have not entered Kindergarten. These are mostly free play and include some crafts. No swimming is allowed.

Junior camps are for those who have already been to preschool for a year and are eligible for PreK (4 year old preschool) or Kindergarten in the Fall 2019. These camps have more structure and need more listening skills to safely play golf, tennis, and swim.

All-Star Camps are designed for children who have been to school. For those who haven't been to a full day of school, it can be a little too much to get through 4+ hours of structured sports and activity.
